Dear Sir:

I'm writing you today in support for the reopening of the recreation area at Austin Hot Springs. For many years, this site, then managed by PGE, provided visitors with a friendly, unique recreation opportunity. The development proposed by Austin Preservation LLC. could reestablish this site as a safe, well managed recreation opportunity in an area where these amenities are rare. Furthermore, this proposed development would reverse the unsightly and unhealthy negative environmental impacts visitors to this general area are now exposed to.

I appreciate your consideration of this proposal.

Sincerely,
